

The Pupil Premium Grant – Review of Expenditure 2017-18

Our work with the Pupil Premium Grant at Longdean School has shown a positive 2 year trend in progress and destination data. Results in English have been particularly pleasing with the gap between PP students and their Non-PP peers closing considerably on progress 8.

It is important to understand the data in context. The 2016-17 cohort were considerably higher attainers at Key Stage 2 than the 2017-18 cohort. Thus, we may expect attainment 8 and Basics scores to be lower in 2017-18 than 2016-17. However, progress 8 is based on the progress students have made between Key Stage 2 and Key Stage 4 and thus gives us a clear picture of progress for students on an individualised basis and is, therefore, the fairest progress measurement.

Prior attainment on entry (Key Stage 2)	2017	2018
	27.62	26.16

We are also particularly pleased with the reduction in NEET (not in education, employment or training) students and the fact that our Pupil premium students are well supported to gain entry into the right qualifications at post 16 level.

Please note: We have a number of qualifications that, whilst counting for the students, cannot be used for National Data as they are counted as 'Legacy Qualification.' This includes a number of 'old style' BTECs and our Geography course which a considerable number of students sat in the summer of 2016 or 2017.

*Please note, results from 2016 are not directly comparable as the new 1-9 grading system was not in place, hence its omission from this document

Outcomes for Disadvantaged Students 2018

Progress 8		
Progress 8 measure	2017	2018
Average progress 8 score	-0.60	-0.29
English progress 8 score	-0.50	-0.16
Maths progress 8 score	-0.40	-0.26
EBACC bucket progress 8 score	-1.00	-0.50
Open bucket progress 8 score	-0.60	-0.30

Attainment 8		
Attainment 8 Measure	2017	2018
Average Attainment 8 Score	36.68	35.66
Average Attainment 8 Score: English	8.43	8.31
Average Attainment 8 Score: Maths	7.43	6.67
Average Attainment 8 Score: EBACC	8.48	9.27
Average Attainment 8 Score: Open	12.33	11.32

Basics Measures		
Basics Measures	2017	2018
Standard Basics [Pupils achieving grade 4+ in English and Maths]	49%	38%
Strong Basics [Pupils achieving grade 5+ in English and Maths]	23%	13%

English Baccalaureate
*Only 2 students were officially entered for the full EBACC qualification in 2017-18 on National Statistics due to legacy qualifications (as noted previously.) We will be able to report on this again next year.

Destination Data		
Percentage of students staying in education, employment or training after Key Stage 4	2017	2018
	98%	99%

*Please note, this is provisional data from Connexions
