TEACHER OF TECHNOLOGY
MPS/UPS/NQT

Longdean School is an exciting, dynamic, vibrant and fulfilling place to work. A School which is 'Good Overall, in all aspects' (Ofsted December 2015), and which now enjoys a completely new build, opened in January 2017.

We are looking to appoint an enthusiastic and energetic Teacher of Technology, (Graphics, Electronics or Resistant Materials), to join the Technology department in our brand new suite of specialist classrooms.

Design and Technology at Longdean allows students to engage in individual and teamwork activities that are challenging, relevant and motivating. Design and Technology contributes to our exciting competency curriculum in Year 7 and 8. Results in Design and Technology are continuing to rise.

We can offer you:

- Strong leadership in a people focused environment
- Opportunity to deliver lessons in a brand new suite of rooms in our new School building
- Opportunity to teach at both GCSE and 'A' Level
- Outstanding professional development/training opportunities
- Outstanding Induction programme for new staff
- An active well-being programme and strong Staff Social Committee

Longdean School is committed to safeguarding and promoting the welfare of children and young people and the successful applicant will be required to undertake DBS Disclosure at Enhanced level.

For further details including a Job Description, Person Specification and Application forms, please visit our website at www.longdean.herts.sch.uk

Application is made by completing the forms and enclosing a letter of application addressed to the Headteacher, Mr G Cunningham and emailed to Mrs Lyn Butler, HR Manager at l.butler@longdean.herts.sch.uk

Closing date: 12 noon Monday 22nd January. Interviews will take place in the same week.
