Vision Statement, Strap Line and School Aims Policy

Vision Statement: 'I am proud of who I am and what I have achieved today'.

Strap Line: 'Rejoice in thy youth'.

Aims: These underpin both the strap line and vision statement. The aims are how we will achieve our vision. These will be addressed within the School Improvement Plan (SIP) and the Department and House Improvement Plans (DIP/HIP).

We want everyone in the Longdean Community to be able to:

1. Enjoy learning and make outstanding progress
2. Feel safe and secure in a learning environment of which we are proud
3. Be inspired, challenged and motivated to learn
4. Support and value each other and share in and celebrate everyone's success
5. Develop independence and confidence to enable us to make the most of our abilities
6. Develop high levels of literacy and numeracy to support our future economic well-being
7. Develop the ability to make informed choices about our lifestyle
8. Raise awareness and respect for all cultures in the school and the local community
9. Understand the part we play and the contribution we make to the local, national and global community
