

A Level Politics Bridging Task

UK Political Parties:

Research the Labour and Conservative parties, including looking at their websites and write a 300 word summary for each to explain what their main policies are.

Choose **one other party** from this list to also research and write a 300 word summary on: The Liberal Democrats, The SNP, The Green Party, UKIP, Plaid Cymru.

The Cabinet:

There are currently 23 members of the Cabinet. Make a list of these people and their job titles.

MPs:

Research who your local MP is and look at their voting record using the website <https://www.theyworkforyou.com/mps/>

Create a fact file on your MP including: Their name, party, when they were elected and their beliefs (use the voting record to help you do this.) You also need to include a photo of them.

Your fact file can only be one side of A4.

The Prime Minister:

Create a fact file on Boris Johnson. This also needs to include his party, which elections he has won and a photograph. You need to include a section on his background before becoming Prime Minister. You should also look at the key issues he has faced as Prime Minister and what he has decided to do on these issues. Although the pandemic will be one of these issues please make sure to include others as well. This should only be one side of A4.
